## Cobble Beach – Play or Stay

February 20, 2018 - by Melody Wren

Driving up to Cobble Beach, this 574-acre elegant resort and spa offers so many activities and amenities, guests coming to stay at the main resort or cottages are also choosing to stay. Seeing Cobble Beach as a way of life, many are buying homes that include a golf membership. Located on Georgian Bay, about ten minutes North of Owen Sound, the four-season resort boasts a large restaurant offering local and impressive seasonal menus. Owner Rob McLeese had a vision for what originally was six farms on two heritage sites and provides the perfect venue for many special events.

We stayed in a stylishly cozy and comfortable, light-filled cottage for a weekend, and could have happily moved in. After exploring the area's hiking trails, waterfalls, and canoeing, the serenity of the beautifully appointed cottage was a welcome retreat at the end of the day. Breakfast is served in the sunroom surrounded by windows with a view of the lake and golf course. Guests are a mixture of golfers, robe wearing spa guests, and tourists

exploring the area.

The location, perched overlooking Georgian Bay lures you to swim at the dock, or hop in a canoe or kayak. The inn has 10 rooms, and 21 cottages.

For the past six years, Cobble Beach has been host to Concours d'Elegance. Held on the 18<sup>th</sup> fairway of Cobble Beach, the phenomenal bayside course hosts international antique and classic cars rarely seen in Canada.
